

Request for Photocopies

Requests for reproductions of archival material are subject to the approval of the UTSA Archives. Reproduction decisions are based upon both preservation and copyright concerns. All photocopying will be done by staff and cannot always be met on demand. Researchers should be prepared to pick up copies at the Archives reference desk after 24 hours or to provide mailing instructions. Pre-payment is required on all orders. Payment may be made by check or money order. Checks should be made out to University of Texas at San Antonio Library.

Copyright

The Copyright Law of the United States (Title 17, US Code) governs the making of photocopies or other reproductions of copyrighted material. Under certain conditions specified in the law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of these specified conditions is that the photocopy for reproduction is not to be used for any purpose other than private study or research. If a user makes a request for purposes in excess of fair use, the user may be liable for copyright infringement. This institution reserves the right to refuse to accept a copying order if, in its judgment, fulfillment of the order would involve violation of copyright law.
